

# GOSPEL SHAPED WORK

*An eight-week exploration of how the gospel applies to our everyday working lives.*

Over eight weeks we will explore the Bible's big story of creation, fall, redemption and the world to come. And we will see how it changes the way we should view our work—and how we can serve Christ in and through our daily occupations.

**GOSPEL SHAPED CHURCH**  
*What kind of church should we be?*
